Basic Information

- Place of Origin: Japan
- Brand Name: Used Komatsu Excavator
- Model Number: 200
- Minimum Order Quantity: 1set
- Price: Negotiable
- Packaging Details: Container Or Bulk
- Delivery Time: 5-8 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 units per month

Product Specification

- Type: Crawler Excavator
- Maximum Main Pump Flow: 439 L/min
- Coolant: 15L
- Operating Weight: 20000kg
- Maximum Excavation Depth: 6515mm
- Engine Oil Change Volume: 18L
- Engine: Komatsu SAA6D107E-1
- Location: China
- Highlight: **Used Komatsu PC200 Excavator, Backhoe Bucket Type Used Komatsu Excavator, Crawler Type Komatsu PC200 Excavator**

Product Description

Low Price Used Komatsu Excavator for Earthmoving

Product Description:

Komatsu Construction Excavator

Komatsu is a leading provider of construction excavators, with a wide variety of models available. The Komatsu PC200 is a crawler excavator with maximum excavation depth of 6515mm and a swing hydraulic circuit of 28.9Mpa. It is powered by the Komatsu SAA6D107E-1 engine, making it an ideal choice for any heavy-duty construction and excavation needs.

Komatsu construction excavators are designed to provide superior performance, safety, and efficiency, making them an ideal choice for operators of all levels. They offer excellent digging force, outstanding stability, and are designed to handle a variety of tasks. The PC200 is no exception, providing an excellent balance of power and stability for a wide range of applications.

Features:

Product Name: Used Komatsu Excavator

Engine Oil Change Volume: 18L

Coolant: 15L

Maximum Excavation Depth: 6515mm

Bucket Capacity: 0.94 Cubic Meters

Travel Hydraulic Circuit: 37.3Mpa

Technical Parameters:

Feature	Specification
Coolant	15L
Swing Hydraulic Circuit	28.9Mpa
Operating Weight	20000kg
Bucket Capacity	0.94 Cubic Meters
Maximum Main Pump Flow	439 L/min
Location	China
Maximum Excavation Depth	6515mm
Engine Oil Change Volume	18L
Bucket Type	Backhoe
Travel Hydraulic Circuit	37.3Mpa
Type	Komatsu Earth Moving Excavator, Komatsu Hydraulic Excavator, Komatsu Construction Excavator

Applications:

The **Komatsu Digging Excavator** is a powerful and reliable earth moving machine that is widely used in many different industries. The model **PC200** is an ideal choice for medium-sized projects, with a maximum excavation depth of **6515mm** and an engine oil change volume of **18L**. It also features an advanced swing hydraulic circuit with a pressure of **28.9Mpa**.

The **Used Komatsu Excavator** is a great choice for construction sites, mining projects, landscaping, and other

industrial applications. It is designed with high performance and durability in mind, and its bucket type, backhoe offers efficient operation and increased productivity. The **Komatsu Earth Moving Excavator** is highly efficient and can be used to complete a variety of tasks with ease.

Packing and Shipping:

Used Komatsu Excavator Packaging and Shipping:
The used Komatsu excavator is packaged securely with durable materials to ensure there is no damage during the shipping process. The excavator will be secured to a pallet and shrink-wrapped to protect it from the elements. The pallet will then be loaded onto a truck, train, or airplane for delivery.

FAQ:Xuanjue Serve For You, Best Quality And Lowest Price

- Q: What is the brand name of the used Komatsu excavator?
A: The brand name of the used Komatsu excavator is Used Komatsu Excavator.
Q: What is the model number of the used Komatsu excavator?
A: The model number of the used Komatsu excavator is 200.
Q: Where is the used Komatsu excavator manufactured?
A: The used Komatsu excavator is manufactured in Japan.
Q: What is the condition of the used Komatsu excavator?
A: The condition of the used Komatsu excavator will depend on the individual product.
Q: How old is the used Komatsu excavator?
A: The age of the used Komatsu excavator will depend on the individual product.

If you have any questions, you can call and send an email at any time and leave a message. We will answer you as soon as possible after seeing it.
